### Students Deserve the Whole Curriculum

Joined by her colleagues, family, and students, **Lisa Kloc**, a long time partner with PATINS, was presented the latest Starfish Award for her **undeniable dedication to creating an equitable educational environment for all students**. Through district-wide trainings and grants, she works hard to bring Universal Design for Learning practices and assistive technology to the educators and students in Gibson County schools.

**Why is it called the Starfish Award?** Like the [Starfish Story](#), we believe no effort is too small, even if it matters to only one student. If

you know an educator who deserves recognition, nominate him or her today!

## We Love Speech and Hearing Educators!

PATINS supports speech and hearing all year round. [Jessica Conrad](#) covers communication needs and [Katie Taylor](#) is our Deaf/Hard of Hearing expert. **Here's how you can celebrate the end Better Speech and Hearing Month this May.**

- Thank your school's **Speech Language Pathologist or Teacher of Students who are Deaf/Hard of Hearing**. They often serve multiple schools and will appreciate a kind word.
- [Join Indiana Inclusive Communication Matters](#) to learn how to support students with "**no observable mode of communication**".

## Where to Find PATINS this Summer

PATINS specialists will be presenting at **IDOE sponsored Summer of eLearning Conferences** around the state. These conferences are typically no-cost for district employees and have a low fee for non-employees.

See a training you would like to attend, but the date or location isn't quite right? Or maybe it's already full? **Request any of the following trainings or have a PATINS specialist custom design one to fit your needs.** Check out our new [Professional Development Guide](#) for more ideas.
