

Restricting Access in Second Life To Specific Regions or Islands

Districts may be able to have staff use a static IP to login.

They have to be on PATINS island and stay on PATINS island.

IT Staff may be able to restrict access to ONLY our island with the IP Address of our island:

The IP of the PATINS-Project Region/Island is: **216.82.36.141:13002**

ISTE's IP (*International Society for Technology in Education*): **216.82.1.110:13002**
