Romeo and Juliet

Grade Level: High School Freshmen
Created By: Freshmen English Teachers at Richmond High School
A Message from the Team…

This project is designed to

- Help students read and appreciate drama as a form of communication and engage them in critical reading of Shakespeare’s *Romeo and Juliet*.
- Aid students in recognizing the genre as a unique form of communication with specific, definable characteristics.

We are four English teachers and one special education teacher. In order to meet the needs of our diverse population, we desire to implement UDL strategies throughout our *Romeo and Juliet* unit.

Standard 9.3 Students read and respond to grade-level-appropriate historically or culturally significant works of literature, such as the selections in the Indiana Reading List (www.doe.state.in.us/standards/readinglist.html), which illustrate the quality and complexity of the materials to be read by students. At Grade 9, students read a wide variety of literature, such as classic and contemporary literature, historical fiction, fantasy, science fiction, folklore, mythology, poetry, short stories, dramas, and other genres.

Indicator 9.3.5 Compare works that express a universal theme and provide evidence to support the views expressed in each work.
Indicator 9.3.6 Analyze and trace an author’s development of time and sequence, including the use of complex literary devices, such as foreshadowing (providing clues to future events) or flashbacks (interrupting the sequence of events to include information about an event that happened in the past).
Indicator 9.3.7 Recognize and understand the significance of various literary devices, including figurative language, imagery, allegory (the use of fictional figures and actions to express truths about human experiences), and symbolism (the use of a symbol to represent an idea or theme), and explain their appeal.

Indicator 9.3.9 Explain how voice and the choice of a narrator affect characterization and the tone, plot, and credibility of a text.
Indicator 9.3.10 Identify and describe the function of dialogue, soliloquies, asides, character foils, and stage designs in dramatic literature.
   9.3.10.a Dialogue: a conversation between two characters
   9.3.10.b Soliloquies: long speeches in which characters, on stage alone, reveal inner thoughts aloud
